SUBJECT: Rescheduled SIG(I) Meeting

1. We have prepared the attached Agenda, rescheduling the SIG(I) meeting, for your signature. In addition to a change of date and time, you will notice that we propose to circulate additional papers on or about 31 July. The background papers that the members have already received give them detailed information about specific issues. If you agree, I think it would be useful to send copies of the tentative decision letters also. This will make it possible to seek SIG(I) advice on the specific decisions, as you suggested. As in the past, I propose to sign the initial decision letters, so that they do not lock you or the DCI into positions you might want to change after hearing appeals from Program Managers and the advice of the SIG(I).

2. The SIG(I) meeting has been scheduled for Thursday, 6 August 1981, so that you will have had an opportunity to talk to Frank Carlucci in advance about specific items. Your meeting with Frank is scheduled for 30 July. We expect to have a set of decision recommendations to you no later than tomorrow mid-day.

3. Please let me know if there is any additional material that you require, either before decisions are made or in preparation for your meeting with Frank. We intend to prepare a new background book in advance of the SIG(I) meeting and Talking Points which focus the discussion on consumers' reaction to the tentative decisions.
